# Worthing - Study by the Sea

## Experience seaside charm

To sit on the beach with an ice cream in hand and watch the waves roll in is the very definition of an English summer. A small seaside town, Worthing combines traditional English charm with a thriving seafront that offers plenty of opportunities to enjoy the summer sun.

Just 20 minutes from the attractions of nearby Brighton, students can also enjoy day trips to London and Portsmouth which are only a little more than an hour away. The social programme is varied and packed with excitement with something for everybody to enjoy.

Worthing College, the location for the junior summer school, is a modern, green and spacious campus with sports facilities, a canteen and large, open classrooms.

A perfect place for students to improve language skills while enjoying the all that this seaside experience has to offer.
