LEARN ENGLISH WITH YOUR KIDS IN THE BEAUTIFUL CITY OF TORONTO!

The CES Toronto Parent and Child program provides families the opportunity to travel, study and experience Toronto together!

This package comes in 2-8 week options and includes 20 lessons per week of English at CES Toronto from 9:00-12:35 for parents and 15 lessons per week at an offsite, nearby location, usually the St George Campus of the University of Toronto from 9:00-12:00 for the child/children.

Parents and children will stay in the same homestay family, study in programs suited to their ages and have the opportunity to participate in activities together.

The University of Toronto's St George campus has been the offsite location for our Junior program for over 20 years. It is located a short 10 minute walk from CES Toronto. The children are fully supervised by CES staff at the University and can be escorted back to CES Toronto after activities if requested. Parents will participate in the Niagara Falls excursion and may add other activities, if desired, at an additional cost.

2020 SCHOOL HOLIDAYS

July 1 and August 5

It is my first time in Centre of English Studies Toronto. It is excellent that parents have an opportunity to study with their children. I want to level up my English. It will help me in my job to talk with foreign colleagues.

I think it is very important to study in school in English speaking country. My daughter and I loved our experience and learned a lot. Nadya + Anastasia- Russis
